### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The primary reason for allowance is the inclusion of the specific formulae for the allosteric compounds which are administered for methods of BOLD MRI as claimed. The Amorino reference (AF, on PTO-1449, dated 5/16/2005) was not considered to be prior art due to the acceptance date of May 7, 2001 (see page 300), while the instant application has a priority date of Feb. 23, 2001.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
